PANALLA COLABORADORES

HECHA POR ORCAR DIAZ

A hand-drawn sketch of a mobile application interface. The app is titled "COLABORADORES DC" and features a red icon representing a group of people. It includes two input fields: "ID" and "NOMBRE/APELLIDO". A button labeled "INGRESAR" is positioned below the input fields. The interface is displayed on a smartphone frame with a status bar at the top showing signal strength, battery level, and the time 18:52.

# PANTALLA DE PRODUCTOS

HECHA POR OSCAR DIAZ

The image is a hand-drawn sketch of a mobile application interface for product management. It is presented within a white smartphone frame with a black outline. At the top of the screen, there is a status bar with icons for Wi-Fi, cellular signal, and battery, along with the time 18:52. The main content area has a light blue background. At the top of this area, the text "PRODUCTOS/SERVICIO" is centered. Below this text is a red shopping cart icon with a white plus sign inside. Further down, there are two input fields. The first is labeled "ID" and the second is labeled "PRODUCTO/SERV". Below these input fields, there are four buttons arranged in a 2x2 grid. The buttons are labeled "BUSCAR", "ACTUALIZAR", "ELIMINAR", and "GUARDAR". The entire sketch is drawn with simple black lines and flat colors.

## PANTALLA CLIENTESS

HECHA PAOR OSCAR DIAZ

The image is a hand-drawn sketch of a mobile application interface for adding a new client. The screen is titled "CLIENTES" in white text on a blue background. Below the title is a red silhouette icon of a person. There are six input fields, each with a label to its left: "ID", "NOMBRE", "DOCUMENTO", "DIRECCION", "TELEFONO", and "E-MAIL". All labels and the "GUARDAR" button text are in white. The button is located at the bottom center of the form area. The entire form is enclosed in a rounded rectangle with a black border, which is itself inside a larger rounded rectangle representing the phone's screen, also with a black border. At the top of the phone screen, there is a status bar with icons for Wi-Fi, cellular signal, battery, and the time "19:04".
